OFFICE OF PETITIONS

In re Patent No. 7,408,442 :
Issue Date: 08/05/2008 :
Application No. 10/664,911 :
Filed: 09/22/2003 :
Attorney Docket No. 87321.1660 :

ON PETITION

This is a decision on the request under 37 CFR 3.81(b), filed September 19, 2008, to correct the assignment data on the front page of the above-identified patent by way of a Certificate of Correction.

The request is GRANTED.

Patentee asserts that GE Security, Inc. was listed as the Assignee on the Issue Fee Transmittal Form filed on May 28, 2008. A review of the record reveals that the Office received a completed Issue Fee Transmittal Form on May 28, 2008, with the requested assignment data listed thereon. As the failure to include the assignee on the front page of the Letters Patent was due to USPTO error, the petition fee and the certificate of correction fee are unnecessary. Accordingly, the Office will refund the fees totaling \$230.00 in due course.

Telephone inquiries concerning this decision may be directed to the undersigned at (571) 272-3211. Inquiries regarding the issuance of a certificate of correction should be directed to the Certificate of Correction Branch at (571) 272-4200.

The Certificates of Correction Branch will be notified of this decision granting the petition under 37 CFR 3.81(b) and directing issuance of the requested Certificate of Correction.
